## Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The estimated selling price of $1,495,000 reflects the property's exceptional quality, architectural design and desirable rural-coastal location. Set on approximately three acres, the residence offers three bedrooms, two bathrooms, spacious living areas, high ceilings, premium finishes and a well-appointed kitchen featuring Miele appliances and a butler's pantry. Expansive windows capture picturesque countryside and Gippsland Lakes views, while the substantial 6m x 12m shed adds further practicality and appeal. Its private setting, proximity to Wattle Point and convenient access to Bairnsdale further enhance its desirability. With no recent directly comparable sales within a 5km radius, the assessment considers the property's unique attributes, landholding, quality of improvements and broader market conditions to support the nominated price.

## Sale Outcome
