Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

Following extensive market research, we could not identify any directly comparable sales within the immediate 2km radius. Despite broadening our search to surrounding areas, we have not identified any suitably comparable sales at this time, largely due to the property's unique attributes, configuration, layout and floorplan.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
