Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Due to the unique nature of 50 Orrs Road, Lucknow, there are no comparable properties sold within a 20km radius to provide a direct market comparison. The property offers a distinctive lifestyle opportunity, combining a master-built residence with just over 18 acres of lightly undulating pastureland and extensive equestrian facilities.

The home features quality finishes, renovated interiors, multiple living areas, a well-appointed kitchen and an updated ensuite. Additional value is offered by the self-contained one-bedroom studio above the triple garage, complete with a kitchenette, bathroom and living space, providing flexibility for extended family, guests or potential short-stay accommodation.

The extensive rural improvements include horse shelters, round yards, an arena, fenced paddocks, substantial shedding,

a workshop, tack room and warm water wash bay. Town water, a bore and a substantial dam enhance water security, while established landscaping, outdoor entertaining areas and elevated rural views further contribute to the property's lifestyle appeal.

A current planning permit to subdivide part of the land may also provide future opportunities, subject to the relevant permit conditions and requirements.

Taking into account the landholding, quality residence, additional accommodation, extensive infrastructure, water supply and unique lifestyle offering, an estimated market value of $1,290,000 is considered reasonable.
