This property seems a bit newer than St Georges Rd, its also located in Clifton hill, similar size, beds and bath, only has one car though (not 2)

Agent Comments

This property is a very comparable location just up the road, but doesn't seem as big or have a big terrace and second carpark like St Georges Rd.

The estate agent or agent's representative reasonably believes that fewer than three comparable properties were sold within two kilometres of the property for sale in the last six months. There is a broad range of comparable sales ranging from $400,000 to $1,000,000, we did have this property advertised hire but the market didn't seem to react to the property at the higher price.
