## Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There are fewer than three comparable properties due to the limited number of recent sales within the immediate area that are genuinely similar in terms of property type, land size, accommodation, condition and overall quality. The property is relatively unique, and the available recent sales differ significantly in one or more of these key characteristics, making them unsuitable for a direct and reliable comparison.

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
