Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

There is no comparable sales evidence of block sold of similar size within 5km in the last 18 months. The price is based on comparable sold price of 6 Yellowbox Street Tallygaroopna $265,000 13.11.25 3139m2 & the purchase price 4 years ago of the particular property of $255,000 allowing for an increase in land/property prices.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
