Reason there are fewer than three comparable properties

☐ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

"Please note that complete official physical data—specifically **internal living space dimensions and/or registered land size**—was publicly unavailable for certain selected comparison properties at the time of this report.

Despite these specific data omissions, these properties have been retained as valid comparables. Based on comprehensive localized market knowledge, historical building patterns in the immediate area, and external architectural evaluations, I am confident that these comparison properties share highly similar structural attributes, utility, and market

appeal to the target property. Adjustments have been weighted accordingly to reflect this assessment."
