Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the limited availability of recent comparable sales within the immediate surrounding area, it has not been possible to identify three suitably comparable properties. Available sales differ in terms of location, land size, property features and overall condition, making them unsuitable as direct comparisons for an accurate market assessment.
