Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

A search of sales within 5 km over the past 18 months did not identify a sufficiently comparable sale of a modern, single-level brick townhouse with four bedrooms at this price point. Four-bedroom sales in the area were generally detached houses in newer suburbs, whereas this property is in an established Wendouree location near Lake Wendouree and surrounded by older homes. Nearby recent sales had three bedrooms, while the 2015 sale falls outside the required 18-month period.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
