Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

We reasonably believe that fewer than three comparable properties have sold within the prescribed 2km radius during the preceding six-month period. The subject property is a relatively new double-storey home situated in the older, established area of Keysborough. Recent sales of properties with similar characteristics have predominantly occurred in Keysborough South, which differs in location and surrounding neighbourhood characteristics from the subject property.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
