Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

There are no direct comps for this 5BR, 3Bath, 3 Car house on 810sqm so when considering price we looked at the following
UN-Renoavted it would be in the $800k - $900k range : the renovation costs with the pool would be in the $600k plus range = 1.5m to $1.6m
