Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No other comparable sales have been identified within the past six months. The available evidence is limited for ground-floor, three-bedroom residences of comparable scale, specification and amenity within the Domain Precinct. G01/23 Millswyn Street is positioned between the Royal Botanic Gardens and Fawkner Park and incorporates a substantial courtyard, high-end finishes and two-car accommodation, distinguishing it from many recent transactions and limiting the availability of directly comparable sales evidence.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

Sale price	$4,925,000	Unconditional sale date	25/11/2026
