Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Only two comparable properties have been achieved within the last six months that closely reflect the subject property's key features of 2 bedrooms and 1 bathroom. Other recent sales differ in key characteristics, with properties either situated on smaller or larger parcels of land, or being double-storey, making them less directly comparable.
