Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

There have been no reported sales within a 2-kilometre radius over the past six months that reflect the location, size, accommodation, parking and features of 116–118 Little Lonsdale Street.

Important advice about the median sale price: When this Property Price Statement was prepared, publicly available information providing median sale prices of residential property in the suburb or locality in which the property offered for sale is situated, and our sales record (if any), did not provide a median sale price that met the requirements of section 47AF(2)(b) of the Estate Agents Act 1980

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
