Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Eaglemont has a relatively low turnover of properties, and there have been fewer than three genuinely comparable sales within the relevant period that are similar in location, land size, accommodation and overall property characteristics.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

Sale price	$3,475,000.00	Unconditional sale date	27.10.2026
