Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

In determining the $1,245,000–$1,360,000 price range for 11B McRae Street, Seaford, we have considered the following relevant townhouse properties: > 26A Mitchell Street Seaford VIC 3198 Last Sold on 28 Feb 2026 for $1,300,000 > 11A McRae Street Seaford VIC 3198 Last Sold on 07 Nov 2025 for $1,365,000 While some of these sales fall outside the usual six-month comparable period, they remain relevant due to the limited turnover of large townhouses in Seaford.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
