Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

15 Ashcombe Drive, Ringwood was identified as a potential comparable sale, as the main dwelling is similar in size to 37 Kalinda Road, Ringwood, and both properties have comparable land sizes. However,15 Ashcombe Drive features an additional self-contained studio at the rear, which 37 Kalinda Road does not have. This is a significant difference between the properties, and therefore 15 Ashcombe Drive is not considered a suitable direct comparable sale. Also, 4 Fiona Court was a double story sale, however, home have a pool where Kalinda Rd doesn't have so cannot be used as comparable.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
