Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

This recent sale in Tallant Avenue is somewhat comparable in quality and scale with more bedrooms and without bay views but closer to the bay beach and sailing club. 5 Keating Avenue, Sorrento sold for \$1,895,000 on the 5th March 2026 represents land value with comparable views within close proximity to the subject property.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
