Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

In Comparison to the homes that have recently sold offering 3 bedrooms, 2 bathrooms, and a secure carport. Only 1 property had just the 1 living area (no study), and no outdoor set up entertainment zone. This home is also in original condition and was an ex rental property. Thus needing a freshen up comparing to other properties which have sold.
