Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There were fewer than three comparable properties identified within the specified time period that were considered sufficiently relevant to the subject property. Rather than including sales that may not provide an accurate comparison, only properties with the most relevant location, land size, property features and overall characteristics have been included.
