Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There are no new comparable sales available. The agent considers 14B Balmoral Avenue, Templestowe Lower, which met the comparable sales criteria when the ESR was originally determined, to remain the most relevant and comparable property for assessing the current price.
