## Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The estate agent or agent’s representative reasonably believes that fewer than three comparable properties were sold within two kilometres of the property for sale in the last six months.

## Sale outcome
