Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The agent reasonably believes that fewer than three comparable properties have sold within two kilometres of 3/374 O'Hea Street, Pascoe Vale South in the last six months. A search of recent sales within that radius and period found no properties sufficiently similar in type, size, accommodation and standard of presentation to provide a reliable comparison. The indicative selling price has been determined with reference to current competing listings and broader market evidence.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
