Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The agent believes there are no comparable sales, given the property’s unique offering. The agent considers the property superior to other homes in the area, highlighting its position on one of the best streets in Templestowe, combined with its exceptional renovation and lifestyle appeal.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
