Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Due to the scarcity of brand-new townhouses with Kananook Creek views, there have been limited comparable sales in the past six months. In determining the $1,290,000–$1,400,000 price range for this home, we considered 1/44 Church Road, sold for $1,370,000 on 4 December 2025, featuring a substantial 526m² land size, and 11A McRae Street, sold for $1,365,000 on 7 November 2025, a brand-new four-bedroom townhouse. Despite falling outside the usual period, these sales remain relevant given limited turnover and the stability of this tightly held market.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
