Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

No sufficient comparable properties were identified as having sold within 5 kilometres of the subject property in the past six months.

The property combines approximately 1.01 hectares with 3bedrooms, two bathrooms and two car spaces. No sales within the required distance and timeframe offered a sufficiently similar combination of acreage, regional accommodation and improvements, having regard also to location, standard and condition. Accordingly, no comparable sales have been included in this Property Price Statement.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
