I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The property is an historic schoolhouse built in 1862 with a heritage overlay and two garden studios. There are no comparable sales with similar building type or land size within the prescribed period.
