Comparable property sales

These are the three most comparable properties to the property for sale that were sold **within two kilometres** of the property for sale **in the last six months**.

If there were fewer than three, but one or two, comparable properties, these must be included below.

These properties were used to help determine the estimated selling price.

Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

There are no direct comparable sales for 25 Glasgow Road, Kilsyth due to its unique combination of substantial land and large residence. Recent nearby sales are predominantly conventional homes on much smaller allotments, requiring a broader area and timeframe to establish relevant market evidence.
