Comparable property sales

These are the three most comparable properties to the property for sale that were sold **within two kilometres** of the property for sale **in the last six months**.

If there were fewer than three, but one or two, comparable properties, these must be included below.

These properties were used to help determine the estimated selling price.

Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The agent has reviewed recent land sales in the surrounding area, including 10 Terrene Street, Clyde North ($555,000, 512m²), 42 Ernstbrook Drive, Clyde ($556,000, 512m²), 48 Shearwater Boulevard, Clyde North ($509,000, 470m²), 77 Wirrinda Drive, Clyde North ($580,000, 512m²) and 31 Plover Avenue, Clyde North ($584,000, 512m²).

While these transactions provide general market context, they are standard mid-block allotments significantly smaller in size (470m²–512m²). By comparison, 1 Mississippi Avenue is a 615m² titled corner allotment with park and wetlands views, no easements, and side-access potential. Due to these notable differences in land size, position, and outlook,

the agent reasonably believes that fewer than three directly comparable properties have sold within the prescribed radius and time frame.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
