## Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The agent or agent's representative believes that fewer than three comparable properties are available because there are no recent near new properties in the area that have similar characteristics, particularly properties with approximately 560 m² of land and a 30-square (approximately 279 m²) house. Due to the limited availability of properties with comparable land size, dwelling size, and condition, fewer suitable comparable properties could be identified.

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
