Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

There are no directly comparable sales for 27-35 Hall Road, Warrandyte South due to the subject property's approximately 14,400m² landholding, dwelling size and overall lifestyle configuration. While the selected sales provide relevant market evidence, they vary considerably in land size, accommodation and property features, meaning none represent a true like-for-like comparison

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
