Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

There have been limited sales of relatively new townhouses in Seaford within the past six months, resulting in only two suitable comparable sales within the required timeframe. The most relevant additional comparable is 6/5 Kerry Avenue, located next door, which sold for $785,000 on 1 April 2026. Although just outside the six-month period, this sale is highly comparable and, combined with the recent sales evidence, has been considered in determining the proposed sale price for 7/5 Kerry Avenue.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
