Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The third comparable sale, 3/7 Tormore Road, Boronia which sold \$651,000 on 11/05/2026 but is approaching the end of the six-month comparable sales period.
No additional suitable comparable sales have been identified within this period. The subject properties are brand-new townhouses, and recent sales of properties with sufficiently similar features and condition are limited.
