Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

A search was undertaken for comparable sales for 3 Teresa Court, Altona Meadows. In assessing potential comparables, consideration was given to the number of bedrooms and bathrooms, property type, condition, construction, location, accommodation and general standard of the property. At this stage, I have only been able to identify 1 sale within the prescribed that I consider sufficiently comparable to the subject property. Further comparable sales will be added as soon as suitable transactions become available. At present, there are insufficient recent sales that adequately reflect the build, quality and overall characteristics of 3 Teresa Court, Altona Meadows.
