Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

I, the agent or agent's representative, did not take the sale price of three comparable properties into account when determining the estimated selling price, as I believe fewer than three comparable properties sold within the relevant period. Given the build, layout, age and location of 2/11 Marian Court, I consider 1/16 Haley Street, Diamond Creek the most comparable sale in terms of style, build, layout, age and size. 1/16 Haley Street sold above the suggested range, which is a reflection of current market conditions.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
