Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Only 2 comparable sales found with the search criteria, there were insufficient sales within the area that are comparable with the condition of the home and land size. 2 properties taken into consideration were 19 Plaza Court Lilydale & 18 Saddleback Ridge, Chirnside Park

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
