Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Other references included 118 New Street (different construction), 96 New Street (land value only) and 69 Loughnan Road (busier street and larger land). 10 James Street sold outside the six-month period.
