Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The comparable property that has been included closely aligns with 11 Sophia Street Sunshine West VIC 3020 based on the following:

1. Internal floor space and land size is similar.
2. Internal features and style of the home is similar.

Other recently sold properties differ in land size or are homes with different internal features. Additionally, recently sold properties have not compared in terms of their internal and external condition, therefore, there are limited comparable properties to include.
