Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Only two comparable sales of a sufficiently similar standard or condition to 8/4 Lambert Road, Toorak were identified within the prescribed six-month period and two kilometre radius. Although additional two-bedroom apartment sales were reviewed, they were considered materially different in key characteristics including size, condition, accommodation, position and overall standard. The estimated selling price has been determined by reference to these comparable sales together with broader market evidence.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

Sale price	$515,000	Unconditional sale date	06/11/2026
