Reason there are fewer than three comparable properties

☐ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Only one comparable sale have been included due to the limited number of recent sales within the immediate Beaumaris area that closely align with the subject property in terms of property type, accommodation, land size and overall attributes. This sale was considered the most relevant and reliable comparable available.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
