Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the limited number of recent three-bedroom sales in Niddrie, only the most relevant comparable properties have been selected. The subject property features a distinctive floorplan and living arrangement, with a smaller living and dining area than many comparable homes, resulting in fewer directly comparable sales available.
