Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The property is two titles, zoned over two levels for multi-generational living or short stay rental and has a large studio space suitable for a home business. It also has lovely sea views over Western Port to the Nobbies. There have been no similar properties sold in the past six months within 2km of the property.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
