Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Limited directly comparable sales are available, given the property’s unique combination of substantial land, generous accommodation and rare off-street parking. Recent Fitzroy sales vary considerably in land size, condition and overall offering, resulting in few genuinely like-for-like comparisons.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

Sale price $1,531,000 Unconditional sale date 24/10/2026
