Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

Due to the limited number of recent comparable sales in the immediate area, only two truly relevant comparable properties have been included. This property provides the most accurate indication of current buyer sentiment and market value.
