Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Due to the limited number of recent comparable property results available for 4 Colachi Road Truganina, only two directly comparable property has been identified. This is primarily due to the limited availability of recently sold properties with similar characteristics, including location, land size, dwelling type, condition, and overall property attributes. Accordingly, the available comparable sale has been considered together with the property's individual features and current market conditions when assessing the indicative price range.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
