Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the unique nature of 19 Bonfire Way, Cranbourne South, and the limited availability of recent sales that closely match the property's location, land size, dwelling style, condition, and overall features, only one suitable comparable sale could be identified. Extensive research of recent market activity was undertaken; however, no additional sales were found that could be considered genuinely comparable without significant adjustments.

Providing sales evidence that is not truly comparable may result in a misleading indication of market value. Accordingly, only the most relevant and reliable comparable sale has been used to support the estimated selling range.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
