Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No directly comparable properties have been identified within the past six months for this property, which comprises a four-bedroom, two-bathroom double-storey dwelling. Recent sales within the surrounding area predominantly consist of either single-storey homes or more modern double-storey properties, limiting their suitability as direct comparables.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
