Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Due to the limited availability of directly comparable sales in the immediate area and sold within the past 6 months, only two suitable properties have been identified for comparison. Differences in property size, layout, bedroom configuration and overall features make it limited to find a third sale that provides a fair and reliable comparison for 3 Albany Court, Werribee
