Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

There is a limited pool of directly comparable sales for 519A Mount Dandenong Road, Kilsyth, with only one property considered sufficiently comparable. The subject represents a larger style of townhouse with a relatively modern build, substantial internal accommodation, balcony and contemporary design, which differentiates it from the majority of townhouse sales in the surrounding area. Most nearby townhouse sales are smaller, older or of a more conventional design and therefore provide limited direct comparison

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
