Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

In determining the $1,600,000–$1,700,000 price range for 3 Netherall St,we have considered the following relevant properties:20 Whitby Way Seaford,sold on 24/10/25 for $1,630,000,6 Luxton Terrace sold on 10/5/25 for $1,680,000,12 Airlie Grove Seaford,sold on 22/10/2024 for $1,775,000.While these sales fall outside the usual 6-month comparable period,they remain relevant due to the limited turnover of large family homes that are newly built & the relatively stable nature of this tightly held segment of the market.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

Sale price	$1,660,000	Unconditional sale date	22/10/2026
